

## Our Mission

To enhance the caring environment provided by the hospital for patients, visitors, and staff through the running of an attractive, encouraging and caring retail outlet of Christian literature and related goods

The shop is situated in the main entrance concourse at the University Hospital of Wales which is the 3rd largest university hospital in the UK providing 1000 beds and employing more than 6000 staff

We also want to develop our mission by organising a book trolley service to wards, a book club for staff and to consider a book reading service for patients

## How Can I help?

### Pray with us

Please make this project a matter of prayer as we seek God's will in serving Him through this mission.

### Volunteering

Volunteers serve in the shop as well as in various other roles within our organisation. Please contact the manager at the shop if you would like to help with any project.

### Support Financially

The Friends scheme provides us with regular income to develop our mission. It also helps us to keep in regular touch with our supporters.

Your church may also like to support us with a regular donation as a local mission project
